

## What's happening at Nursery School !

2nd November to 6th November 2015

Welcome back to the second half of the Autumn term. This half term will be very busy with lots of celebrations taking place and many opportunities for you to get involved and join in with activities and preparations for Christmas.

You will shortly receive a letter regarding our January theatre trip to see "We're Going On a Bear Hunt" which will be at the Town Hall in Birmingham. We will be travelling by train in order to keep the costs down.

Why not start to save for this exciting event using our Saving Card facility? Pay a small amount each week and you will soon have saved enough to pay for your child's ticket.

### Changes to keyworker Groups.

The number of children in Nursery School this term is much lower than usual and as a result we have made the decision to combine two key groups and change the key workers. Miss Dickson will no longer be with us and the Butterflies will be looked after by Mrs Fortey in the same class.

The Caterpillar group will move to be with Mrs Ball and join the Rabbits in Cherry Room. With your support we know that the children will adjust well to the changes. All staff have got to know the children during the free flow sessions so they will work with you to support the children during the transition to their new groups and key workers. Thank you for your support.

### REMINDER - Dates for your diary!!

Parent consultations will be taking place week beginning

Monday 9th November 2015

Please put your name and your child's name on the sheets in the Nursery school corridor. This is an opportunity for you to talk to your child's key-worker and to find out how well your child is doing and to find out if there are any areas that your child needs some extra support with.

## FOREST SCHOOL

Next week we will be starting our Forest School sessions for the first groups of children. Staff will let you know if your child is going to be taking part in the sessions this term. You will get more information and be asked to complete consent forms too!

Please ensure that your child brings a coat to Nursery School every day. Please also remember to put your child's name inside their coats and also on hats, and gloves.
