

# Our Ethos - It takes a whole community to raise a child

## What's happening at Nursery School !

14th December to 18th December 2015

Last week the children amazed us with their confidence and their ability to perform in front of parents at the concerts. We were really pleased that so many of you were able to join us and I am sure you were all as proud as we were of all your children.

Having the confidence to stand in front of an audience and to sing, dance and remember all the actions is a real achievement especially when you think that some of the children have only been coming to nursery school for a couple of months. It is something that many adults would find challenging.

If you were unable to attend then look out on Tapestry for photos of the rehearsals for the concert.

We hope you and your families have a very Happy Christmas  
and wish you a Healthy and Happy New year for 2016

## Going On a Bear Hunt

Some of you will be joining us and the children when we go to see the production of *Going on a Bear Hunt* at the Town Hall in January.

We will be reading the story to the children but you may want to start to talk to your child about the story before we go.

If you do not have the book you can watch the author Michael Rosen performing and reading the story on Youtube:-
