

What's happening at Nursery!

15th December to 19th December 2014

During the week there have been lots of Christmas experiences available for the children and they have been having a great time inside and outside. Outside has been just as popular as ever and the children have been taking part in Father Christmas's Treasure Hunt - looking for items that have fallen out of Father Christmas's sleigh. They have been making pizzas and writing letters to Father Christmas as well as enjoying the experience of having Christmas Dinner together with their friends and pulling crackers and wearing party hats.

Last week the children amazed us with their confidence and their ability to perform in front of parents at the concerts. We were really pleased that so many of you were able to join us and I am sure you were as proud as we were of all your children. Having the confidence to stand in front of an audience and to sing, dance and remember all the actions is a real achievement especially when you think that the children have only been coming to nursery school for a couple of months. It is something that many adults would find challenging. If you were unable to attend then look out on Tapestry for photos of the rehearsals for the concert.

We hope you and your families have a very Happy Christmas
and wish you a Healthy and Happy New year for 2015.

Please remember the Food bank when you are shopping this week. Just pop an extra item into your basket and leave it in the food bin in our reception area.

Many families in the Erdington area will rely on the Foodbank to enable them to have a meal at Christmas as they are experiencing financial crises.

Please remember to send your child to Nursery School with a coat, hat and gloves all labelled clearly with their name.

The children play outside in all weathers so they do need to be able to wrap up well on cold days.

Lots of layers will help to keep the children warm so they can get on with the serious work of playing and having fun!
