

## Our Ethos - It takes a whole community to raise a child

### What's happening at Nursery School !

17th October 2016 to 21st October 2016

Thank you very much to all the parent helpers who joined us last week to accompany the children to Sutton park. It would not be possible for us to go on these local visits without your help so Thank you!. The children learn such a lot from these experiences - they find out about the seasons, the natural world around them and visits helps with their language development as they learn new vocabulary in a really meaningful way. It also helps develop their confidence to cope with new experiences.

If you were not able to join us please remember to look at your child's learning journal on Tapestry to check if there are any photographs from the trip and also please read the blogs posted on the website.

This week we hope as many of you as possible can join us to celebrate "Children of the World Week" as well as to bring along donations for the Foodbank. There are posters on the Parents' notice board and in the corridor giving ideas for what to donate.

The children are really showing an interest in role play with mobile phones and to follow this interest some of them went to visit a shop and the staff have developed a role play area in Nursery school. By building on the children's interests we are able to support their learning in many areas of the Foundation stage curriculum.

The internet and technology provide a lot of excellent learning opportunities for children, but it's really important for adults to ensure that children are using the internet safely. Our website has a section under safeguarding all about e- safety with a short video from [www.internetmatters.org](http://www.internetmatters.org) that gives you advice about safely using the internet.

Check your settings on your phones' tablets and computers to ensure your children are not able to access inappropriate material on the internet.

Help to keep your children and family safe.

matters.org

Please remember to pay £1.00 school fund each week.

This money is needed to pay for extra resources such as cooking ingredients, drinks for the cafe and other items such as plants' bulbs and seeds for the garden.

Please pay school fund each week.

Pay as much as you can afford- every little helps.

Thank you.

# Featherstone Autumn Fair

Our Autumn fair will be taking place on

Saturday 12th November.

Please look out for the flier telling you how you can get involved.

## SAVE OUR NURSERY SCHOOLS AND CHILDRENS CENTRES

Please remember to sign our petition to save Nursery schools and Children's centres! We need to get at least 1000 signatures by Friday this week.

Remember you can take a form home to your friends and family too!

Many of the children have been interested in looking at different types of jewellery and beads. If you have any old or broken fashion jewellery, watches or jewellery boxes that you no longer require please hand them in to your child's keyworker.

## Snacks and fruit or vegetables for the café

Please can children in the Caterpillar group bring in a few pieces of fruit, some vegetables or some breadsticks or crackers for the café this week?

The week after that will be the turn of the Rabbit group
