

Our Ethos - It takes a whole community to raise a child

What's happening at Nursery School !

Monday 16th January to Friday 20th January 2016

We are really pleased to say that we are having a visit to Nursery School again from the Playhouse Theatre on Tuesday 7th and Thursday 9th February.

Roll Up! Roll Up! is an exciting participatory theatre-in-education programme for Nursery and Reception in which the children help Bim to find the confidence to realise his dream of joining the circus as a performer.

The children are involved as supporters, creators and performers working through movement to help Bim to create an act of his own. The acts in Zulfigar's circus are represented using familiar objects and materials that the children will recognise from home and school, thus creating a world of circus that is unique and accessible, and one that provides a stimulus for creative play.

We are asking for a contribution of £5.00 for this performance which is an excellent learning opportunity for the children. Please place your payment in a trip envelope with your child's name and group and post it into the box in the Reception area.

There have been quite a few new children joining us at Nursery School since the beginning of term. They are getting lots of support and help from the other children who are being really good role models - showing them how to behave and helping them get to know our rules and routines.

Well done everyone!

Don't forget to bring snacks and fruit or vegetables for the café

Please can children in the Ladybirds and Robins bring in a few pieces of fruit, some vegetables or some breadsticks or crackers for the café this week? Next week it will be the turn of the Squirrels and Owls group.
