

Our Ethos - It takes a whole community to raise a child

What's happening at Nursery School !

Monday 6th February to Friday 10th February 2017

We have had 3 applications for our Parent Governor vacancy so there must now be an election. You will receive a letter giving information about the election process and how you can vote.

This week we are being visited by two of our governors who are coming to look at some of the areas of development from our School Improvement plan.

Ms. Blessing David, a parent governor, is coming in on Tuesday to take a look at the work we are doing towards achieving the Level 1 Rights Respecting Schools award.

Mrs Marta Woodley, chair of governors, is visiting on Wednesday to look at the way we support the learning and development of our youngest children in Nursery school.

Change of Date

The Playhouse Theatre performance Roll up Roll up will now be taking place on

Tuesday 7th and Thursday 9th March.

Your contributions will be kept for this learning experience. If you have not already paid then please put your £5.00 contribution in a Trip envelope in reception.

**Nursery School is closed for a Teacher Training Day
on Friday 17th February 2017.**

**We are closed for the half term holiday from
Monday 20th February until Friday 24th February.**

We re-open for children on Monday 27th February 2017.

Congratulations to Mrs Jackie Fortey who is now officially a Level 3 Forest School Leader.

Well done Mrs Fortey!

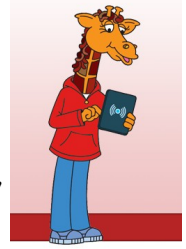

Please do not park on the zig-zag lines outside the Nursery School.

These lines are there to keep our children and families safe!

Life Education Caravan

On Wednesday 15th February the Life Education caravan will visit the Nursery school. You will see the mobile classroom parked outside the Nursery School during the day. The children will meet Harold the Giraffe and start to:

Understand that the body gets energy from food, water and air and that exercise and sleep are important to our health. They will be learning about their body and what some of our major organs do such as the heart, blood, lungs, stomach (tummy). They will also learn about the importance of basic personal hygiene by helping Harold!

Parents and carers can come along to an information session at the beginning of the day 8.45am to 9.15am or 12.00 midday to 12.30pm.

Please pop an extra item into your shopping basket and leave it in the food bank bin in our reception area. Many families in the Erdington area rely on the Food bank as they are experiencing financial crises.

The Food bank also need clean strong carrier bags, so if you bring some food to donate please leave it in the carrier bag when you put it in the Food bank bin.

Thank you for your support.

Look out for the poster on the parents information board in the corridor with details of the food items you can donate.

Don't forget to bring snacks and fruit or vegetables for the café

Please can children in the **Caterpillars** bring in a few pieces of fruit, some vegetables or some breadsticks or crackers for the café this week?

Next week it will be the turn of the **Rabbits** group.
