

Our Ethos - It takes a whole community to raise a child

What's happening at Nursery School !

Monday 27th February to Friday 3rd March 2017

Welcome back to the second half of the Spring term. This half term is going to be very busy with lots of exciting learning opportunities for the children and times for you to get involved too.

This week to mark World Book day we are inviting you to come in to Nursery school on Wednesday and spend a little time sharing a favourite book or story with your child. Please bring your child's favourite book to share and we would love it if you have a book in your home language that you could read out loud for your child and other children.

If your child wishes to dress up as a book character then take a look at the website for ideas for making simple costumes cheaply at home. There is no need to buy an expensive costume! www.worldbookday.com/dressing-up Your child will be given a voucher to use to buy a book that has been specially printed for world book day or to use towards a more expensive book. Details of the special books available are on the website too.
