What's happening at Nursery School !

Monday 1st May to Friday 5th May 2017

Exciting news!

We are really pleased to announce that our bid for funding from the Big Lottery Fund, Awards for All scheme, has been successful. The money we will receive is going to be used to pay for us to fund an artist in residence to work in Nursery school every week during the next academic year and it will also pay for all the materials and resources needed for this creative project. In a time when we are facing lots of cuts in our funding this money will enable us to continue to provide an excellent learning opportunity for all the Nursery school children throughout the year.

The children have been fascinated with watching the chicks hatch from the eggs and watching them grow and change each day. Keep an eye on the Nursery School blog for updates on their progress!

Don't forget that next week, on Wednesday 10th May, it is our whole Nursery school visit to the Wildlife Conservation Park and Cannon Hill Park. If your child is not taking part in the trip then please remember that they cannot attend on that day as Nursery school will be closed. All staff are attending the trip. Don't forget to take a look at the website or Facebook page for the Wildlife Conservation park before the visit

We need your help!

Please do not bring buggies or pushchairs into the reception area.

If you have a younger child in a push chair you will have to carry them or let them walk into Nursery school with you.

There is very limited space in the Reception area of school and there is not enough space for people to safely move around in the building if buggies are left there.

Please use the buggy park outside.

Thank you

Snacks and fruit or vegetables for the café

Please can children in the Ladybirds and Robins bring in a few pieces of fruit, some vegetables or some breadsticks or crackers for the café this week?

Next week it will be the turn of the Squirrels and Owls.

Reminder!

Thursday 4th May Nursery school is closed as it is a polling station for the election for the West Midlands Combined Authority Mayor.

Wednesday 10th May - Visit to the Wildlife and Conservation park.

Wednesday 24th May - Nursery closed for induction for children starting in September 2017

Monday 29th May to Friday 2nd June - Nursery school is closed for the Whitsun half- term holiday

Thursday 8th June Nursery school is closed as it is a polling station for the General Election

SCHOOL PLACES FOR SEPTEMBER 2017

Please remember to tell us which school your child will be attending if they are leaving us in July so that we can ensure all your child's records and information are passed on to their new school. Sharing information about your child with their new teacher will ensure that they have a really smooth transition into school and that the new teacher knows all about what your child is good at and what they will need help with. Please tell your child's keyworker as soon as you have accepted your place.
