

TAPESTRY
ONLINE LEARNING JOURNAL

Dear Parents / Carers

All children attending Featherstone Nursery School have a personal on-line Learning Journal which records photos, observations, assessments and comments, in line with the Early Years Foundation Stage, to build up a record of your child's experiences during their time with us.

We use Tapestry, a system, which is GDPR compliant to do this. The benefits to yourselves from Tapestry being on-line means you will have secure access to your child's Learning Journal and, in addition to viewing our contributions, we encourage you to add to it by commenting on observations made by us and by adding your own observations from home including photos and comments - this can be something you have done at the weekend, photos of you reading your library books, or maybe celebrating a special occasion - anything you want to share with us. When your child leaves Featherstone Nursery School you will be able to download their learning journal and print it out.

If you provide your email address we will set up an account enabling you to access your child's learning journal via the secure Tapestry website. (Please note you will only have access to your own child's Learning Journal). You will be sent a link via email that requires you set up a password. You can add up to 3 e-mail addresses for different family members each with their own individual password. You will even receive an email telling you when a new observation or piece of work is available for you to view.

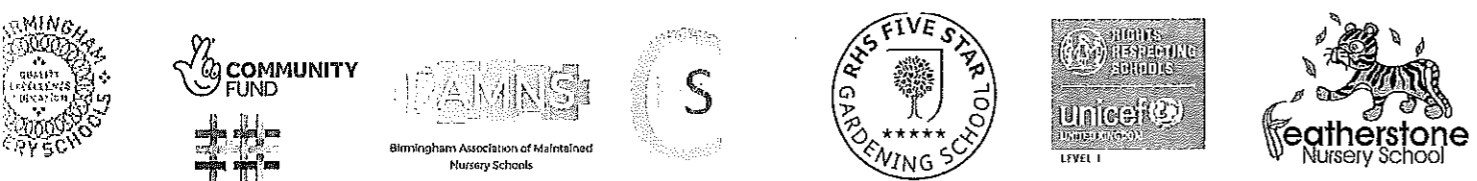

E-safety is extremely important to us at Featherstone Nursery School, therefore we ask you to provide us with the following information and to sign the consent form to show that you understand and will agree with our guidelines. Your child's Tapestry Learning Journal will be retained for one year after your child leaves Featherstone Nursery School and then deleted.

If you have any questions or queries about the on-line Learning Journals please do not hesitate to ask a member of staff.

Parents who have used Tapestry already have loved this way of viewing and contributing to their child's learning journey and we are sure you will too!

Many thanks,

Sharon Eeles
